The particular focus of *How Children Succeed* was the role that a group of factors often referred to as noncognitive or “soft skills” qualities like perseverance, conscientiousness, self-control, and optimism play in the challenges poor children face and the strategies that might help them succeed. These qualities, which are also sometimes called character strengths, have in recent ...

Charter schools in the United States are primary or secondary education institutions that do not charge fees to pupils who take state-mandated exams. These charter schools are subject to fewer rules, regulations, and statutes than traditional state schools, but receive less public funding than public schools, typically a fixed amount per pupil. There are both non-profit and for-profit charter ...
