With 189 member countries, staff from more than 170 countries, and offices in over 130 locations, the World Bank Group is a unique global partnership: five institutions working for sustainable solutions that reduce poverty and build shared prosperity in developing countries.

Climate Change Home - worldbank.org

Financing climate change is an important part of the World Bank Group's business. Our focus has resulted in significant financing flowing to support low-emissions and resilient development. For example, mitigation support for the world's poorest countries through the Bank's IDA reached \$2.3 billion during fiscal year 2013, while the IFC's mitigation financing increased 50 percent to \$2.5 billion.
