An industrial and provident society (IPS) was a legal entity for a trading business or voluntary organisation in the United Kingdom, the Republic of Ireland, and New Zealand. The name is still used in New Zealand, the Republic of Ireland and within the UK in Northern Ireland. Recent legal developments in Great Britain include the Co-operative and Community Benefit Societies Act 2014, which has ...

The Industrial Revolution was the transition to new manufacturing processes in Europe and the US, in the period from about 1760 to sometime between 1820 and 1840. This transition included going from hand production methods to machines, new chemical manufacturing and iron production processes, the increasing use of steam power, the development of machine tools and the rise of the factory system.

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network. The "Emerging Scholars" group began informally, but its leadership now ...
