Capital in the Twenty-First Century is a 2013 book by French economist Thomas Piketty. It focuses on wealth and income inequality in Europe and the United States since the 18th century. It was initially published in French (as *Le Capital au XXI^e siècle*) in August 2013; an English translation by Arthur Goldhammer followed in April 2014. The book's central thesis is that when the rate of return ...

Being the "best student": the legacy of neoliberalism in Argentina Argentina faced a huge crisis at the end of the 1990s. After years of being the "best student" of international economic institutions such as the International Monetary Fund and World Bank, its economy went into a recession in 1998 that led the

country to a political and social crisis that reached a boiling point in 2001.

For much of the 20 th century, ideological discussions and debates have centered on liberal versus conservative, left versus right. No longer. The ideological divide of the 21 st century is emerging as globalism versus nationalism. Since the end of World War II, global integration and technological progress have fueled a new world order centered on free trade, open borders and interdependent ...

If we do not find ways to reduce the growing inequality in education outcomesâ€”between the rich and the poorâ€”schools will no longer be the great equalizer we want them to be. Has the academic achievement gap between students from high-income and low-income families changed in the last few decades ...
