I am using the texmaker editor for writing the presentations and MikTeX in the background to convert my tex files into the pdf documents.. The TeX archive will have the beamer user guide which has some useful parts at the start although it can be large and daunting for a new user.. I am intending to work through the other features that we might want to add to a presentation in subsequent posts ...

A Bayesian network, Bayes network, belief network, Bayes(ian) model or probabilistic directed acyclic graphical model is a probabilistic graphical model (a type of statistical model) that represents a set of variables and their conditional dependencies via a directed acyclic graph (DAG). For example, a Bayesian network could represent the probabilistic relationships between diseases and symptoms.
