

is federalism based on pdf

The terms 'federalism' and 'confederalism' both have a root in the Latin word foedus, meaning "treaty, pact or covenant." Their common meaning until the late eighteenth century was a simple league or inter-governmental relationship among sovereign states based upon a treaty.

Federalism - Wikipedia

Federalism in the United States is the constitutional division of power between U.S. state governments and the federal government of the United States. Since the founding of the country, and particularly with the end of the American Civil War, power shifted away from the states and towards the national government. The progression of federalism includes dual, state-centered, and new federalism

Anti-Federalist vs. Federalist Debate. The American Revolution was a costly war and left the colonies in an economic depression. The debt and remaining tensions "perhaps best summarized by a conflict in Massachusetts known as Shays' Rebellion" led some founding political members in the U.S. to desire for more concentrated federal power. The thought was that this concentrated power would allow ...
