Technical Regulatory Standards on Japanese Railways

ASD-STE100 Simplified Technical English, or Simplified English, is the original name of a controlled language specification originally developed for aerospace industry maintenance manuals. It is a carefully limited and standardized subset of English. It is now officially known under its trademarked name as Simplified Technical English (STE). STE is regulated for use in the aerospace and ...

Maximizing ROI on your English-Spanish Translation. One of the most requested services in the language arena involves the translation of English content into Spanish.

English to Spanish Translation - Trusted Translations

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this distinction, translation can begin only after the ...
