Definition. Stream of consciousness is a narrative device that attempts to give the written equivalent of the character's thought processes, either in a loose interior monologue (see below), or in connection to his or her actions. Stream of consciousness writing is usually regarded as a special form of interior monologue and is characterized by associative leaps in thought and lack of some or ...

Little Bird of Heaven by Joyce Carol Oates is a riveting story of love violently lost and found in late 20th century America. In this novel, Oates returns to the Buffalo, New York, region to brilliantly explore the dangerous intersections of romance and eroticism, guilt and obsession, desire and murder. Little Bird of Heaven, a soaring work by the New York Times bestselling author and a ...
