Impartiality, Neutrality And Justice: Re-Reading Brian

utilitarianism and justice. His argument is difficult, complex, and subtle. In the ... situations where impartiality is required, and (d) to treat people unequally, though people disagree wildly as to what sort of equality might be morally required. Mill cannot find a common thread here, so breaks off this discussion

MILL ON JUSTICE: CHAPTER 5 of UTILITARIANISM

Impartiality is sometimes treated by philosophers as if it were equivalent to moral impartiality. Or, at the very least, the former word is often used, without the qualifying adjective “moral”™, even when it is the particularly moral concept that is intended.

Impartiality (Stanford Encyclopedia of Philosophy)

This article develops an argument on the type of implications a theory of global justice as impartiality would generate for global institutions. The main conclusion is that a theory of citizenship including political obligations towards fellow citizens could be used as a basis for a theory of global citizenship with duties towards fellow human beings.
