Making the Modern World: Materials and Dematerialization - Kindle edition by Vaclav Smil. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Making the Modern World: Materials and Dematerialization.

Making the Modern World: Materials and Dematerialization

Over time, the modern world has become more dependent than ever on a seemingly endless flow of materials. The adoption of highly efficient production processes and high levels of recycling have proved insufficient to stem soaring demand for materials – which is driven by population growth and rising living standards.
