Management Science Introduces Fast Track Submission Process. Recently, the editorial board of Management Science introduced Fast Track, a submission process designed to attract short papers with high quality, original and high-impact research that is of broad interest, analogous to what might appear in Science, Nature, or PNAS. We are looking for empirical, modeling, or theoretical papers with significant contributions and concise presentations.

Management Science

Part I is a general introduction to the idea of modelling as a part of Management Science, stressing modelling as a part of Management Science, and stressing modelling as an activity rather than discussing types of model.
