Since our founding by Clara Barton on May 21, 1881, the American Red Cross has been dedicated to serving people in need. We received our first congressional charter in 1900 and to this day we are tasked by the federal government with providing services to members of the American armed forces and their families as well as providing disaster relief in the United States and around the world.

From David Smith - 2/14/2017 Hi All, I did my annual walk through Camp Michaux this week. I noted several areas that need attention and am proposing that those who are available assemble at the camp on April 22 at 8:30.
