Part-time Registered Nurse Wisconsin Rapids, WI Area)

Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Nurses may be differentiated from other health care providers by their approach to patient care, training, and scope of practice. Nurses practice in many specialties with differing levels of prescription ...

Nursing - Wikipedia

The Council has amended the registered nurse scope of practice to indicate that some registered nurses can prescribe prescription medicines. It has also added education and training requirements for registered nurses prescribing in primary health and specialty teams as additional prescribed qualifications for registered nurses.
