Professional wrestling (often shortened to pro wrestling or simply wrestling) is a form of entertainment which combines athletics with theatrical performance. It takes the form of events, held by touring companies, which mimic a title-match combat sport. The unique form of sport portrayed is fundamentally based on classical and "catch" wrestling, with modern additions of striking attacks ...

Professional wrestling - Wikipedia

Professional wrestling has accrued a considerable nomenclature throughout its existence. Much of it stems from the industry's origins in the days of carnivals and circuses. In the past, professional wrestlers used such terms in the presence of fans so as not to reveal the worked nature of the business. In recent years, widespread discussion on the Internet has popularized these terms.
