

politics in america texas pdf

For approximately 99 years, from after Reconstruction until the 1990s, the Democratic Party dominated Texas politics.. In a reversal of alignments, since the late 1960s the Republican Party has grown more prominent within the state based on an influx of primarily white voters (the majority in the state) from the Democratic Party. By the mid-1990s, it became the state's dominant political party.

Politics of Texas - Wikipedia

The United States is a federal republic in which the President, Congress and federal courts share powers reserved to the national government, according to its Constitution.The federal government shares sovereignty with the state governments.. The executive branch is headed by the President and is formally independent of both the legislature and the judiciary.
