F. Trust Primer - Internal Revenue Service

A civilian is "a person who is not a member of the military or of a police or firefighting force". The term "civilian" is slightly different from a non-combatant under the law of war, as some non-combatants are not civilians (for example, military chaplains attached to the belligerent armed forces or neutral military personnel). Under international law, civilians in the territories of a party ...

I. THE SOURCES OF INTERNATIONAL LAW Article 38 of the Statute of the International Court of Justice defines the sources of international law.

Nathaniel Burney | Primer on International Law

Educational psychologists and pedagogues have identified several principles of learning, also referred to as laws of learning, which seem generally applicable to the learning process. These principles have been discovered, tested, and used in practical situations. They provide additional insight into what makes people learn most effectively.
