Managing prisons in a time of change - World Prison Brief

What is prison for? Background Prison systems have evolved over centuries into their current form. Societies have always required means of protecting citizens from those who have caused harm or who pose a threat, as well as ways of communicating what is considered wrongful conduct through punishment. However, using imprisonment as a punishment is a

up in this prison for over a decade. In fact, if I remember correctly, you were here a year before I joined this country club. You and I have been here a lifetime. All these crummy, stinking years wasted. People are living real lives on the outside. We live the kind of life the prison warden chooses for us. SHORTY: At least we're alive in here.
